

## EMILY FROM JAPAN

The image towards the Fins I had before I came here was actually true, you all are so shy!!

But now I get to know more about you, you all are such warm people and I have a great time here. With the 8 months I have got left, I will like to get to know more people and communicate with more, learn more Finnish and achieve more of something that I will never forget for my entire life!!

とってもシャイなフィンランドの人達だけど、通りすがりにニコってしてくれたり、はたまたいたずらしてニヤってしてくる子がいたり...

二学期も始まってクラスも一新。もっともっと色んな人と触れ合って、友達もかけがえのない思い出もたくさん作っていきたいと思います！！この学校で良かったな～
